Note: This table excludes principal applicants who were admitted as Dependants Abroad because it attempts to give a more faithful representation of the family unit. Even though principal applicants are processed in the Dependants Abroad category by administrative convention, they are in fact dependants. Therefore, principal applicants who are admitted into Canada under the Dependants Abroad category for administrative reasons are included in the table for Refugee Class by Gender and Category (Dependants).

Note: This table excludes principal applicants who were admitted as Dependants Abroad because it attempts to give a more faithful representation of the family unit. Even though principal applicants are processed in the Dependants Abroad category by administrative convention, they are in fact dependants. Therefore, principal applicants who are admitted into Canada under the Dependants Abroad category for administrative reasons are included in the table for Refugee Class by Gender and Level of Education (Dependants).
